

**Regulation on stimulation and award of employees of FSAEI HE SPbPU”
approved by order dated 28.03.2019 No. 644**

The regulation establishes the order of granting stimulations and awards to SPbPU's employees, approving award documents (requests and submissions) presenting awards and the order of communication between structural divisions and officials responsible for issuing award documents.

Awarding in SPbPU is the highest form of stimulation of the University's employees.

The employer stimulates employees who diligently fulfill their job duties.

The following types of stimulations and awards of employees are established:

- local stimulations – for timely and diligent fulfilment of duties by an y
